Wyoming Volunteer Battery May Go to the Yukon.

GREAT SCARCITY OF PROVI-SIONS AT DAWSON CITY.

Troops Will Start at Once and Proceed to Fort Yukon - Steamers Are Taking In Little Provisions -Entire Klondike Output Estimated at Six Millions.

San Francisco, Aug. 11.-The Call says: Serious trouble in Interior Alaska is apprehended by the United States government. Food riots are feared at Fort Yukon and other upriver points, growing out of the fallure of the transportation companies to get supplies in there on the prevailing low water.

water.

Acting on instructions received from Washington, Major General Merriam will quickly despatch a battery of artillery to St. Michaels, the officer in charge having orders to proceed at once up the Yukon river to Fort Yukon and open a military post for the coming winter. The expedition will also carry a large quantity of extra provisions and supplies to relieve distress. When St. Michaels is reached, the commanding officer will promptly levy on any river boats he may find, seizing them, if necessary, and will Washington, Aug. 11.-The following

levy on any river boats he may find, seizing them, if necessary, and will transport his troops and supplies to their destination with all possible despatch. A form of military government will be established and good order maintained in Alaska, even if it requires the services of the soldiers and artillery.

San Francisco, Aug. 11.—General Merriam has not decided what battery shall be despatched to Alaska. The only light battery in this neighborhood is the Alger battery at the Presidio. The California heavy artillery is also eligible for the service, but would be compelled to act as infantry. Haste is necessary in despatching the battery, because the season is growing late. If the officer in command cannot come to terms with owners of boats on the Yukon, he shall have power to seize means of transportation for the battery.

SCARCITY OF FOOD.

Famine Predicted at Dawson-Deaths at the Hospital.

Port Townsend, Wash., Aug. 11.-Lieutenant Elliott Dead.

Washington, Aug. 11.—The following lispatch was received from General shafter: "Lieutenant William G. Elliot, Twelfth infantry, died here at 3 of the town were burned. A few hundred dollars will cover the loss. Among the passengers on the City of

Among the passengers on the City of Topeka was Mrs. A. D. Field of St. Paul, Minn., who left Dawson City on July 28. She says boats arriving at Dawson from St. Michaels are bringing but a small amount of provisions, and are confining their business to the and are confining their business to the passenger traffic. As a result provi-sions will probably be scarce again

sions will probably be scarce again this winter.

Among the recent deaths at the Dawson City hospital were H. McQuillin of Chicago, J. S. Cooper of New York, Peter Shearer of Chicago, Fred Hart of Philadelphia, A. Johnson, Ed Dunston, Captain Hamlin, W. Killop, Theodore Valenting, A. Nelson, N. P. Swanson, W. S. Meers, K. Roebig and Gus Anderson, residence unknown.

of Yukon gold a few weeks ago. The receipts of the Seattle assay office have been about the same. The largest single deposit at the mint here was \$120,000. Mr. Leach estimates that about \$250,000 in dust and nuggets has gone sast and that there is about \$250,000 in the three is about \$250,000 in dust and nuggets has gone east and that there is about \$1,000,000 more of this season's output yet to reach this country. It is stated that the dust brought out by the North American Trading & Transportation company was sent east and was not included in Mr. Leach's figures. This amount might possibly reach \$500,000. From this showing it would appear that \$6,000,000 would be a safe and conservative estimate of the entire Yukon. servative estimate of the entire Yukor output, including the American side as well as the Klondike.

YELLOW FEVER PRECAUTIONS.

Government Guarding Against Intro-

duction of the Disease. Washington, Aug. 11.-Every precau tion is being taken by the war and instructions to General Shafter manding at Santiago, directing that all West Indian ports under control of the United States, medical officers of the marine hospital service be immediately detailed to duty to carry out the re quirements of the quarantine law of

The order further directs that all sanitary matters pertaining to the condition of transports and crews be placed under the jurisdiction of the medical officers of the marine hospital service and that every transport plying between the United States and Cuban or Porto Rican ports carry a medical officer of the army or the marine hospital service, whose duty shall be that of sanitary inspector of the vessel. It is also ordered that at Sanitago, and other chief ports, where practicable, a ship be placed for the retention of persons about to take passage

tion of persons about to take passage for the United States, pending exami-nation of their physical condition and disinfection of their effects.

Smokeless Powder Provided For the Springfield Rifles.

Washington, Aug. 11.-The ordnance department of the army has succeeded at last in securing a smokeless powder adapted for use in the Springfield rifle, with which nearly all the volunteer troops are armed. The powder used troops are armed. The powder used with the small bore and repeating rifles was too powerful and repeating rifles was too powerful and repeating rifles to be procured. This is now coming in from the manufacturers and being turned into fixed ammunition in such quantities as to warrant the belief that even should the war continue, our soldiers would not be again exposed to the danger encountered at the buttle of El Carely, through the betrayal of their presence by the blinding smoke of the Springfields.

The cause of the religious orders is warrally espoused, not only by the Carlists and the Ultramontannes, but the Carlists and the Ultramontannes, but the Conservatives. Their newspapers say the vatican will appeal to the European powers and negotiate direct on the matter with the American Catholic prelates and politicians.

Today's newspapers report that some uneasiness, even alarm, prevails about the manner in which President Mc-Kinley will view the latest Spanish note.

MONKS OF THE PHILIPPINES

VATICAN DEEPLY CONCERNED OVER THEIR WELFARE.

Will Appeal to the European Powers and Negotiate Direct With the American Government.

New York, Aug. 11.-A dispatch to treasury departments to prevent the the World from Madrid says: Powerintroduction of yellow fever into the ful influences are being brought to bear United States. At midnight tonight, again on the government in the in-Adjutant General Corbin telegraphed terests of monastic orders in the Philippines, whose fate excites much apprehension in church circles and at the vatican. The papal nuncio visited Fremier Sagasta today in the name of the pope to plead the cause of the monks and Jesuits, who have suffered ulrements of the quarantine law of SEC.

The order further directs that all anitary matters pertaining to the contilion of transports and crews be also under the jurisdiction of the medical officers of the marine hospital

assurance that the standing and the property of the religious orders will be respected after peace is restored and order is re-established.

Premier Sagasta promised that the authorities shall give protection to the orders wherever Spanish rule still prevails in the Pacific archipelago, but he could do nothing on the island of Luzon, which is now in the possession of the insurgents and the Americans. Beyond this the premier would only give evasive answers. He told the nuncio that if the American government assents to the terms of the Spanish note forwarded Sunday night, a mixed commission will meet soon to settle all Philippine questions, and, therefore, the Madrid government must await the result of the labors of that commission before it can reply fully to the query by the vatican.

The Madrid press believes that it will go hard with the monks, as it is an open secret that both the natives and the Americans contemplate putting an ond to their ways in the Stanish Pan

he Americans contemplate putting an nd to their sway in the Spanish Pa-ific possessions. The cause of the religious orders is

GUARDING AGAINST AN ATTACK FROM GIBRALTAR.

Strong Batteries Established at San Roque-Many Defenseless Towns Would Surrender.

New York, Aug. II.-A dispatch to the Tribune from Gibraltar says: Reports circulated by the Spanish authorities at Tariffa, to the effect that the troops had been sent back from Carbonero and adjacent places to Algeciras, whence they were being drafted to their homes, are without foundation. On the contrary, meas-ures for defense actively continue and the 7,600 men who garrison the line of forts from San Roque to Carbonero forts from San Roque to Carbonero and Guadalmina have just been reinforced by an entire regiment of mountain artillery, with 40 gans, who are encamped on the heights of San Roque. The armaments of these batteries, recently completed at Punte Carnero, at San Garcia Tower and on the Isle of Verte, consist for each battery of four quick-fire Ordonez guns of 15 centimeters calibre. And two 24centimeter calibre. Ordonez guns. Twenty-five or 20 guns of smaller calibre, but also of the Ordonez pattern, are in barges near the water batteries, apparently waiting to be placed in position.

To a military observer it is perfect-

sition.

To a military observer it is perfectly evident that the fortifications recently completed by the Spanish engineer officers and now receiving their armaments, are especially directed against any offensive movement from Gibraitar. The Spanish government is thus not only taking serious precautions against any possible Angio-American combination near Gibraitar, but is profiting by the last days of the American war to furnish the formidable ican war to furnish the formidable line of works confronting Gibraltar, which, if done in ordinary times of peace, might be interpreted as a mon-ace to England and cause demands for

DEFENSELESS TOWNS. Many Spanish Ports Would Surren-

der to the Americans. New York, Aug. II .- A dispatch to the Tribune from Corunna, via Hen-

the peace commission, at which it is believed either Senor Moret or Duke Almodovar de Rio will preside. It is believed that the negotiations will extend into the second half of September.

To Save Manila.

London, Aug. 12.—The Hongkong correspondent of the Daily Mail says: Senor Navarro, the Spanish consul, has engaged a steamer to take him to Manila immediately upon the conclusion of peace, in the hope of saving the city from bombardment.

the situation. ADMIRAL KIRKLAND'S CONDITION

Is Very Low and May Die at Any

Moment. Vallejo, Cal., Aug. II.—Rear Admiral Kirkland was very low today, physicians having to resort to artificial respiration to keep him alive. He has since railled. He is so weak that he is unable to raise the blood accumulating

in his threat.

Dr. W. E. Taylor, who was summoned by wire, came up from San Prancisco. He does not hold out any) hopes.
Admiral Kirkland may pass away at

any moment. Everything possible is being done to preserve quiet. Orders have been given not to sound the bells in the navy yards. The physicians are not inclined to talk. The veteran Admirał Kirkiand is showing remarkable recuperative ability. His condition tonight has greatly improved and his physicians now entertain no fear of his dissolution during the night, unless an unexpected relapse should occur.

Desecrated a Confederate Grave.

Washington, Aug. II.-A special to the Star from Thoroughfare Gap says that Judge Advocate Dudley of the United States army arrived in camp last night to try Assistant Surgeon and Captain Duncan of the Twenty-second Kansas regiment, charged with desecrating the grave of a confederate officer at Buil Run.

Protest Against Onions.

San Francisco, Aug. 11.-The Examiner says: When the Hawaiian commission embarked on the steamer Mariposa they found the passenger deck stacked with boxes of onions. Senators Morgan and Cullom and Representative Hitt made a strong protest to Captain Hayward against the ship sailing in such a condition. They declared that it was an outrage and an insult to the government to convert the vessel which was to carry the official representatives on such an important mission into a freight ship.
